

**BALI – WEEKEND TRIP
GILI PARADISE ISLAND**

WEEKEND OVERVIEW

Fancy doing something a little different at the weekend? Our organised weekend trip to these paradise islands are the perfect chance for you to explore, relax and get up close to the marine life in the area.

Surrounded by crystal clear waters, abundant with coral reefs and spectacular marine life, Gili T is just one hour by speedboat from Bali. Tranquil white sandy beaches await your arrival, giving you time to relax and soak up the sunshine.

The tiny island of Gili Trawagan is renowned for being untouched by modern distractions. With no cars or motorbikes on the island, it can be walked in its entirety in around 2 hours. But if you don't fancy walking, why not rent a bike or call for a local horse and cart.

However, superb natural beauty isn't all the island has to offer; chic accommodation and a variety of restaurants with fresh foods are poised to take your fancy. Then as darkness falls, Gili Trawagan's vibrant nightlife comes alive, giving you every chance to chill out and party or visit the tropical beach cinema.

It's amazing how much you can squeeze into 3 days here. The waters are some of the best in Indonesia for swimming, snorkelling and scuba diving! With dive sites like Shark Reef where you are able to get up close to all kinds of marine life including graceful green turtles – an out of this world experience.

You can make this trip whatever you want it to be. Each weekend trip leaves on a Friday morning and returns on the Sunday evening, costing just **£149 per person**.

The following are included within this fee:

- Transport to and from the accommodation and harbour
- Return speedboat crossing
- Accommodation
- Breakfast

ITINERARY

DAY 1 – TIME TO HEAD TO PARADISE

After breakfast, the minibus will come to collect you around 9am to take you to the coastal town of Amed. The boat generally leaves at 10am, but this can change depending on the time of year and the weather.

The speedboat journey takes around 1 hour and 15 minutes and those that are feeling brave can sit upstairs on the outside platform – you may get a little wet! There will be plenty of time to have a little sing-a-long and dance up there too, with party music being played.

Once you arrive onto Gili T (just after 11am), a local co-ordinator from the hotel will be there to greet you and guide you along the short walk to the accommodation.

The rest of the day and weekend is for you and your group to do as you please. If there is one thing we are sure of, it's that this weekend will offer everything you need and more! We have made several recommendations below, under day 2.

DAY 2 – SNORKELLING, BIKE RIDES AND SUNSETS

As already mentioned, the whole weekend is for you to decide what you want to do. There are many activities to suit both the more adventurous volunteer or if you are just looking to relax and unwind.

Gili T is the perfect opportunity to spend your

days lazing on the beach. Top up your tan as you sunbathe on the white sandy beaches with the waves crashing down on your feet. When you're feeling a bit peckish, you can take a gentle stroll along the many restaurants on the beach and choose from all of the different menus on offer.

As the sun starts to set, you can grab yourself an ice cream or drink and then head down to the beach side cinema – the most scenic place in the world to watch a film if you ask us!

Don't worry though. If you are after a more fun packed weekend then you won't be disappointed.

Head off on one of the boats on offer for an amazing snorkelling trip. Stopping at several points around the 3 islands, you are bound to see sea turtles, colourful fish, corals and monuments / ruins!

After a fun morning at sea, you can head back on land and rent a bike. There is no better or more convenient way to travel the whole island than by bike. We recommend cycling to the east coast to the famous Gili swings to watch the most amazing sunset over the glistening sea.

For the surfer in you, the Gili's offer some great wave riding, with reef breaks available. You can also swim the shallow waters around the coast, with an occasional sighting of sea turtles roaming around.

Do something different for lunch and learn to cook some mouth-watering Indonesian cuisines with a cooking class on the beach.

Trek off the beaten track and hike up treasure hill. On the way to the top you will come across a mysterious shrine, crumbling remnants of a

WWII gun bunker and other great finds. Upon reaching the top you will have the most amazing birds eye view of the surrounding waters and islands, including an incredible view of the outline of mount Rinjani located on Lombok.

As the sun sets, it's time to party! The island is lined with many beach bars, offering music and fun activities well into the night. Have a go at beer pong, with a bar totally dedicated to this new competitive sport! Keep your eye out for some fire dancers and fireworks along the beach too.

DAY 3 – TRANSFER TO BALI

After a busy two days, you still have a couple of hours left this morning. The boat leaves for Bali around 12pm (the hotel staff will confirm the exact time), so there is still some time to go swimming or exploring.

You should expect to arrive back in Tianyar around late afternoon.

ACCOMMODATION

You will be staying in a guesthouse on Friday and Saturday night that is just a stone's throw away from the beach. It will be basic, but clean and comfortable and perfect for getting a good nights rest. You'll have all of the amenities you need such as western bathrooms and Wi-Fi – although this may be intermittent.

MEALS

Breakfast is included within the programme fee and is served each morning at the hotel. There are plenty of options when it comes to lunch and dinner, with many restaurants to choose from – including western and local dishes.

Although things are slightly more expensive here

than Bali, they are still considerably less than home!

TRANSPORT

All transport is arranged for the weekend and will consist of minibuses / cars and boats.

If you want to take part on this amazing trip and the dates fall on your last weekend in Bali then you can still take part! Please arrange your return flight from Bali for the Monday to ensure you have sufficient time of getting to the airport. The accommodation on your last night is not included and we can recommend several hotels either close to our accommodation or to the airport.
